## Swim Lessons

Swim Lessons are run on a sign up basis by session. No drop ins are allowed. Swim Lessons begin Monday, June 15th and run for nine weeks.

## Sharks (ages 5-8)

Monday - Friday 10:45-11:15am

Swimmers will begin to build endurance and swim the length of the pool with all four basic strokes. They will learn starts, turns and work on stroke technique in preparation for swim team.

## Sting Rays (ages 4-7)

Monday - Friday 11:15-11:45am

Swimmers should be able to swim the width of the pool without stopping. They will be introduced to and become more proficient in the four basic strokes.

## Dolphins (ages 3-6)

Monday - Friday 11:45am-12:15pm

The goal is to learn to swim the width of the pool using back and front crawl. We will work on getting swimmers comfortable and confident with swimming short distances on their own as well as swimming underwater, holding their breath, and paddling.

*\*It is very important that our swim instructors are able to offer equal attention to all students. If a child is upset and having a hard time participating in their lesson, we will require a parent or guardian to be in the pool with them or we will remove the child from the class.*

## Swim Program Overview

The TLTC swim program is designed to teach your children the basic skills of swimming and water safety. Our program offers a very nurturing environment for all levels and it is important to us that your children learn to love swimming and feel comfortable in the water.
